

Why Your Church Isn't Growing

Featuring – *The Church Quiz*

Is God likely to send first-time visitors to your church?

You may want your church to grow but is your church ready to grow?

Over 90% of churches are not prepared to grow. If a visitor came, there's a very high likelihood they would leave saying, "That's what I thought church would be like. It was boring, I didn't understand a lot of what they said, and they asked me to do some things I wasn't comfortable doing."

That's why Thrive launched Church Goals. The Church Goals program is a step-by-step process that helps you navigate the five key questions for your church's growth...

1. Have you been **called**? (*...to lead your church's growth*)
2. Are you **prepared**? (*...for first-time visitors and to grow?*)
3. Do you know how to **grow**? (*...we will bring a steady stream of visitors...will they stick?*)
4. Are you willing to **expand**? (*...will you meet the needs of your visitors?*)
5. Can you **sustain** growth? (*...once you start to grow, can you sustain the growth?*)

If you are wanting to press the re-start button for your church and see it grow, please attend this breakout. We will introduce you to tools that will bring a steady stream of unchurched, first-time visitors to your church. Over the past two years, more than 240 churches have deployed the Church Goals program and the results are remarkable. Churches that haven't had growth or visitors in years are growing again.
