Apologetics in a “Post-Truth” or “Post-Christian” Era

- 💧 “Everyone has their own truth.”
- 💧 “Don’t force your truth on me or I’ll cancel you.”
- 💧 “Let me discover my own truth.”
- 💧 The most believable 30-second elevator pitch that is in alignment with their expectations and desires wins the day.

Why is This?

- 💧 1 Cor. 2:14: “But **the natural man does not receive the things of the Spirit of God**, for they are foolishness to him; nor can he know them, because they are spiritually discerned.”
- 💧 2 Cor. 4:4: “But even if our gospel is veiled, it is veiled to those who are perishing, **whose minds the god of this age has blinded, who do not believe**, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.”

Romans 1

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who **suppress the truth in unrighteousness**, 19 because what may be known of God is manifest in them, for **God has shown it to them**. 20 **For since the creation of the world** His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, 21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and **their foolish hearts were darkened**. 22 **Professing to be wise, they became fools**, 23 and **changed the glory of the incorruptible God into an image made like corruptible man**—and birds and four-footed animals and creeping things. 24 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves, 25 who **exchanged the truth of God for the lie, and worshiped and served the creature** rather than the Creator, who is blessed forever. 26 For this reason God gave them up to vile passions... 28 And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; ... those who practice such things are deserving of death, not only do the same but also approve of those who practice them.

(2x actual size)

210 million years ago

Morganucodon was only 10 cm (4 in) long. But a close relative of this tiny creature was the first mammal on Earth. Its DNA was passed on to billions of descendants—including you.

2 Peter 3:3-6

“Above all, you must understand that in the last days scoffers will come, scoffing and following their own evil desires. They will say, “Where is this ‘coming’ he promised? Ever since our ancestors died, everything goes on as it has since the beginning of creation.” But they deliberately forget that long ago **by God’s word the heavens came into being and the earth was formed** out of water and by water. By these waters also **the world of that time was deluged and destroyed.**”

1 Peter 3:15-17

“Sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a **reason for the hope** that is in you, with meekness and fear; having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. For it is better, if it is the will of God, to suffer for doing good than for doing evil.”

Blessed is the man who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful; But his delight is in the law of the Lord, And in His **law** [Torah] he meditates day and night. He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; And whatever he does shall prosper.

- The study of changes in organisms caused by **modification of gene expression** rather than alteration of the genetic code itself:
 - Stress
 - Diet
- Within a single generation
- Produces changes that can be inherited over multiple generations.
- Facilitates variability and speciation within created kinds

Blind Cavefish Can Produce Sighted Offspring
Brian Handwerk for National Geographic News January 8, 2008

It's a miracle! Blind cavefish, despite having adapted to their lightless environment for more than a million years, can produce sighted offspring in just a single generation, a new study reveals.

The ability was discovered when researchers mated fish from distinct populations that had been isolated in separate caves.

In some cases the first-generation offspring of such unions could see.

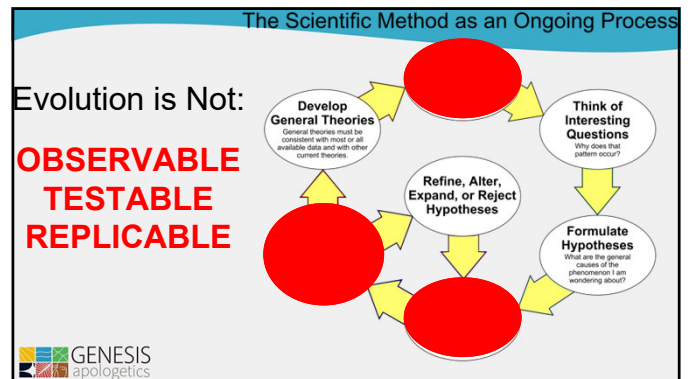

- Evolution theory would say "they lost their eyes over time because they didn't need them" and

- In actuality, their Continuous Environmental Tracking (CET) "turned the eyes off."

The Dead Sea Scrolls

The Dead Sea Scrolls

- 🟡 In 1947 a shepherd boy threw a stone into a cave opening in Qumran by the Dead Sea and heard the sound of shattering pottery....
- 🟡 Studies reveal they are nearly identical to the Biblical texts we have today!
- 🟡 40,000 scroll fragments found in jars in 11 caves
- 🟡 All scrolls were produced prior to 67–73 AD

Great Isaiah Scroll

- 1 of 7 complete scrolls found by Bedouin shepherds in 1947.
- Contains the entire Book of Isaiah.
- Chemically dated 335-107 BC; Paleographically dated 150-100 BC.

Now that we have a copy of Isaiah that pre-dates Christ (125 BC), we can check whether the Bible was reliably copied for 2,200 years.

Let's examine just one chapter:

Isaiah 53

Isaiah 53

Who has believed our message and to whom has the arm of the Lord been revealed? 2 He grew up before him like a tender shoot, and like a root out of dry ground. He had no beauty or majesty to attract us to him, nothing in his appearance that we should desire him. He was despised and rejected by mankind, a man of suffering, and familiar with pain. Like one from whom people hide their faces he was despised, and we held him in low esteem. 4 Surely he took up our pain and bore our suffering, yet we considered him punished by God, stricken by him, and afflicted. 5 But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed. 6 We all, like sheep, have gone astray, each of us has turned to our own way; and the Lord has laid on him the iniquity of us all. 7 He was oppressed and afflicted, yet he did not open his mouth; he was led like a lamb to the slaughter, and as a sheep before its shearers is silent, so he did not open his mouth. 8 By oppression and judgment he was taken away. Yet who of his generation protested? For he was cut off from the land of the living; for the transgression of my people he was punished. 9 He was assigned a grave with the wicked, and with the rich in his death, though he had done no violence, nor was any deceit in his mouth. 10 Yet it was the Lord's will to crush him and cause him to suffer, and though the Lord makes his life an offering for sin, he will see his offspring and prolong his days, and the will of the Lord will prosper in his hand. 11 After he has suffered, he will see the light of life and be satisfied; by his knowledge my righteous servant will justify many, and he will bear their iniquities. 12 Therefore I will give him a portion among the great, and he will divide the spoils with the strong, because he poured out his life unto death, and was numbered with the transgressors. For he bore the sin of many, and made intercession for the transgressors.

Would bear our sins	1 Peter 2:24
Have a portion with the great	Phil. 2:8-11

Trusting the Bible...

- Is there a difference between these 4 written copies?
- Of the 166 Hebrew words in Isaiah 53, only 17 letters in Dead Sea Scroll differ from the CODEX:
 - 10 letters = spelling differences
 - 4 letters = stylistic changes
 - 3 letters = added word for "light" (vs. 11)
 - 1 added word in 166 words = 99.4% the same!
- 17 letters = no affect on Biblical teaching

Isaiah 53: The Bible is Reliable!

Who has believed our message and to whom has the arm of the Lord been revealed? 2 He grew up before him like a tender shoot, and like a root out of dry ground. e had no beauty or majesty to attract us to him, nothing in his appearance that we should desire him. The Unanswerable Question

- ⚡ This is not a “gotcha” to use against evolutionists... but it is that.
- ⚡ It should be used as an opener to reveal they have more faith than we do.
- ⚡ It stands against the accusation Christians receive: “You believe in God by blind faith” or “You can’t prove your religion, it’s all based on faith”!

The Unanswerable Question

Based on Observational Science,
How Did Non-living Matter Become Alive?

The Unanswerable Question

Evolutionists cannot answer this question. The Miller-Urey experiments failed, even after thousands of attempts and decades of trying. Evolutionists have faith that rain falling on rocks over millions of years made non-living matter become alive. That requires faith and it’s not substantiated with observational science.

The Unanswerable Question

The faith position of creationists is much better. We believe that information like DNA has to be organized by an intelligent designer. To the honest mind, this is obvious. Give examples of our machinery requiring intelligent design (see video).
